June 4th, 2014

SAVE THE DATE!

In line with [BILAT UKR*AINA](#) objectives to promote **S&T cooperation opportunities between Ukraine and EU**, to support the creation of networks and the participation in joint projects, we are pleased to announce a **webinar on Horizon 2020** addressing future Ukrainian participants in EU funded S&T projects, more particularly within the **work-programmes “Europe in a changing world – Inclusive, innovative and reflective societies”** and **“Science with and for society”**.

This webinar will be the third of many information and mentoring web-sessions on the **opportunities for Ukrainian researchers and project experts** in the **EU’s new framework programme for research, technology and innovation: [Horizon 2020](#)**. These web-sessions are free, easily accessible and open to all S&T actors interested in Ukraine-EU cooperation. They will be performed **in English language only**.

The webinar will take place on **June 4th, 2014**. It will last approximately 2 hours, from **9:30 to 11:30 AM (CET)**.

It will address **Ukrainian researchers and project experts that are strongly interested in expanding their cooperation with their European fellows under the umbrella of Horizon 2020**. The webinar will provide firsthand information about the general structure and content of Horizon 2020, and what are the opportunities for Ukraine-EU cooperation. It will focus in particular on the **work programmes “Europe in a changing world – Inclusive, innovative and reflective societies”** and **“Science with and for society”**:

- What is Horizon 2020, and what are the opportunities for international cooperation?
- Overview of the work programme “Europe in a changing world – Inclusive, innovative and reflective societies” and its open calls, in particular those targeting Ukraine specifically
- Overview of the work programme “Science with and for society” and its open calls, in particular those targeting Ukraine specifically
- Presentation of the “Horizon 2020 Handbook for Ukrainian researchers”

Our dedicated speakers will readily answer all questions during the webinar.

If you are interested in attending the webinar, **please register [here](#)** before Tuesday, June 3rd. The link to connect to the webinar will be sent to registered participants only!
