by David ITIER, Policy Officer, EU Liaison Office of CNRS (France)

International mobility of researchers in Horizon 2020

by Eugenia SHADLOVA, European Affairs Officer, South-Paris University (France)

How to participate in a Horizon 2020 project?

by Elke DALL, head of Research Policy and Development Unit, Center for Social Innovation (Austria)

Ukrainian participation in EU programs: success stories

by Aurika MURAVA-SEREDA, Regional Contact Point (Ukraine)

Main features of the « meeting room »

The screenshot shows the iLinc meeting interface for a session titled "BILAT-UKR* AINA Meeting". The interface includes a top menu bar (File, Edit, Controls, Tools, Session, Help), a toolbar with icons for Video, Share, Present, Whiteboard, Websync, Poll, and Media, and a main content area. On the right, there is a sidebar with sharing options: "Share your Desktop", "Share a Region", "Share an Application", "Draw on a Whiteboard", "Send Quick Invitation", and "Send Invitation via IM (copy)".

Callouts and annotations:

- Internet Audio Audio Settings**: A green arrow points to the "Internet Audio Audio Settings" button in the toolbar.
- Click here to set up audio parameters**: A green arrow points to the "Internet Audio Audio Settings" button.
- Click here to raise your hand**: A red arrow points to the "MY STATUS" button in the toolbar.
- List of attendees**: A yellow arrow points to the list of participants in the bottom-left corner, which includes "No Floor Holder", "Caroline Schuster", and "Yuriy Vovk".
- Chatroom**: A cyan arrow points to the "Chat" window in the bottom-left corner.

Audio Details section:

This session is configured for audio.

- 🔊 If you are going to speak during this session, you will need to use your computer's microphone. (A USB headset with a noise canceling microphone is strongly recommended)
- 🔊 Listen using your computer's speakers. (A USB headset is strongly recommended)

To choose a different audio device, use the Audio Settings.
